Subject: CAT 1 RFA Update [REDACTED] (Fort Irwin) b7c-3, b6-3

SA [REDACTED] b7c-1, b6-1

This office an RFA in February 2004 from the 43rd MP Det (CID), Fort Hood, TX, to locate and interview Dr [REDACTED] b7c-3, b6-3, Psychiatrist, [REDACTED] b7c-3, b6-3. Dr [REDACTED] is a reserve CPT b7c-3, b6-3 that was activated and was formerly assigned to the 113th Combat Stress Company, Camp Anaconda, Iraq. Dr [REDACTED] b7c-3, b6-3, psychiatrically examined SGT [REDACTED] b7c-3, b6-3, formerly assigned to B Company, 223rd MI Bn, Camp Anaconda, Iraq, who had provided a sworn statement to CID relating her witnessed several incidents where counter intelligence agents abused numerous Iraqi detainees. The RFA alleged Dr [REDACTED] b7c-3, b6-3, was coerced by her chain of command and other officers to remove SGT [REDACTED] b7c-3, b6-3 from Iraq so that these b7c-3, b6-3 allegations could be "covered-up"

On 4 Mar 04, this office telephonically interviewed Dr [REDACTED] b7c-3, b6-3 who stated CPT [REDACTED] b7c-4, b6-4 Commander of SGT [REDACTED] (NFI), went to her commander to influence her decision to send SGT [REDACTED] back to the US. As a result, b7c-4, b6-4 her chain of command put "undue pressure" on her which did influence her decision to send SGT [REDACTED] back to b7c-4, b6-4 the US. Dr [REDACTED] then stated because of the media attention the detainee abuse has been getting and the b7c-3, b6-3 fact that several newspaper companies have been attempting to contact her, she requested a Patient Privacy Release Form from SGT [REDACTED] be obtained. She was instructed that CID is only interested in the coercion piece, b7c-4, b6-4 but she insisted on the form to cooperate further. Dr [REDACTED] also stated once the form has been obtained, her b7c-4, b6-4 re-interview can be rescheduled through COL [REDACTED] b7c-3, b6-3, Commander, 113th Combat Stress Company, b7c-3, b6-3 Riverside, CA. COL [REDACTED] was not deployed with Dr [REDACTED] in Iraq. b7c-3, b6-3

On 16 Jun 04, I contacted COL [REDACTED] b7c-3, b6-3 and informed him the nature and importance of this investigation. COL [REDACTED] stated he is aware of the incident and stated a Patient Release Authorization Form was NOT b7c-3, b6-3 need from SGT [REDACTED] if we were ONLY going to talk about the harassment issues and not get into her treatment b7c-4, b6-4 of SGT [REDACTED] or her recommendations documented in her report. COL [REDACTED] attempted several times to b7c-3, b6-3 contact Dr [REDACTED], but was unsuccessful. COL [REDACTED] was informed again of the importance of this b7c-3, b6-3 investigation and her interview needed to be conducted ASAP.

I anticipate contact to be made with Dr [REDACTED] b7c-3, b6-3 by COB 17 Jun 04, and her interview to be conducted sometime this weekend. If you have any other questions, I can be contacted at (760) 380 [REDACTED] b7c-1, b6-1
